Reference: May Monthly Report (4/01/08-4/30/08)

To Whom It May Concern:

We are in receipt of your letter regarding the above referenced report. Please see below for our complete response.

The negative entries itemized on line 21(b) were credits issued on our credit card. The initial charges had been itemized on our previous report and this was the reversal of those charges. We did not receive an actual check from the vendor and this transaction did not affect our cash on hand, therefore, it should not have been reported on Line 15. All transactions involved were memo entries.

The two entries on Line 29 were in-kind contributions to party committees that require they be on that line. The charges were made via credit card and that transaction had to be reported on Line 21(b). Since these memos had to be on a different line than the itemized contribution, they cannot correspond in the traditional manner. In the future, we will reference the original payment on the Line 21(b) for clarification.

Thank you for the opportunity to respond and please contact us should you need anything further.

Sincerely,
